March 7<sup>th</sup>, 2013

5:30 pm to 7:00pm

Report to the city commission the NE 9<sup>th</sup> avenue main street problem  
Drivers are trying to escape the 8<sup>th</sup> avenue NE main street red light and use NE 9<sup>th</sup> avenue to cut in front of the red light traffic,

Three people have been hit by cars.

This was reported to Mayer Tom Bussing, he came out and the GPD came out to see the sight and the public works was involved and they put up signs

But ms Inez Bright was hit a few years ago and I was almost hit week before last <sup>2010</sup>

We need the right of way a red light or stop sign
