"Citizens are encouraged to participate in City of Gainesville meetings. In general, speakers will be limited to 3 (three) minutes per agenda item. Additional time may be granted by the Mayor or by the City Commission as directed. The City of Gainesville encourages civility in public discourse and requests that speakers limit their comments to specific motions and direct their comments to the Chair. Signs or Props are not permitted in the meeting room. Citizens are encouraged to provide comments in writing to the Clerk of the Commission before meetings and/or during meetings for inclusion into the public record. Citizens may also provide input to individual commissioners via office visits, phone calls, letters and e-Mail, that will become public record. In some instances, i.e., Quasi-Judicial Hearings, these particular contacts may be prohibited.

ROLL CALL**ADOPTION OF THE AGENDA****BUSINESS DISCUSSIONS**[180336.](#)**Next Steps for the Gainesville CRA (B)**

Explanation: Every five years or so, the Gainesville CRA takes time to reassess and recalibrate in some form of a strategic planning process. For the better part of 2017-2018, the CRA embarked on a planning process of this sort; a community conversation around the success or "vitality" of the four Gainesville CRA Districts.

At today's meeting CRA will revisit the Vitality Report, the approved 5-year Roadmap and FY19-20 Budget obligations as a starting point for conversation regarding what will be next for the CRA. Once the City and CRA determine the types of work the CRA wants to proceed with, Staff will be able to present the types of governmental structure that can be used to accomplish that work.
