**CITIZEN COMMENT****DISCUSSION ITEMS**[180258.](#)**Utility Advisory Board's Draft Energy Policy for the City of Gainesville (B)**

*Explanation: The City Commission and UAB met jointly on October 30, 2018, to discuss the UAB's draft work plan. The Board expressed the desire to focus on creation of an energy policy for the City of Gainesville and the Commission agreed. Since that time, the UAB has held a series of workshops to work on crafting the policy document and presented the draft to the City Commission in a joint meeting on April 23, 2019. The Commission received the presentation and gave direction for the Board to continue their work. At their May 8, 2019 regular meeting, the Board discussed a possible timeline for completion of the work and incorporating public workshops for engaging citizens in the drafting process. At their May 30, 2019 workshop, the Board discussed potential options for public engagement and agreed that the document needed additional work before involving citizens. The Board agreed that each member would work on revising any parts of the document in which they were interested and Member Alford would work the edits into one document. The Board discussed the policy again at their July 11, 2019 regular meeting and agreed that they were at the point in their work where it is necessary to put all the individual edits into the master document and review the entire draft as a group. They requested that the joint meeting with the City Commission scheduled for July 23, 2019 be cancelled and a*

*special meeting of the UAB be scheduled in its place so they can review the draft document and vote on any decisions they may make.*

*Fiscal Note: None at this time.*

**RECOMMENDATION**

*Discuss and take any action deemed appropriate.*
