Revised Rules of Procedure for the GCRA Advisory Board (B)

Explanation: In October of 2019 the GCRA Advisory Board approved their Rules of Procedure, which were in turn approved by the City Commission in December of 2019. It was brought to staff's attention that the Adopted Rules of Procedure are inconsistent with the City Code requirements for attendance (Code Section 2-247). The revised Rules of Procedure reflects the changes to the attendance policy in Article II Section 3 to match the City's requirements. Additionally, changes in language regarding Robert's Rule of Order are in Article VII, wherein the currently adopted Rules of Procedure, Robert's Rule is the mandatory governing procedure and in the proposed version, Robert's Rules are to be used as a guide. Finally, under Article VI, "Report of Officers and Committees" has been removed as it is not relevant to the GCRAAB.

GCRA DRAFT Reinvestment Plan Update (B)

Explanation: At today's meeting the GCRA Advisory Board will receive a presentation

and update on the Reinvestment Plan draft and associated project list and 10-year budget.

Ordinance No. 181001, adopted by the City Commission on September 5, 2019, outlines the CRA's transition from a Community Redevelopment Agency overseeing projects in four redevelopment areas to become a City Department and one consolidated Community Reinvestment Area. As required by the ordinance in Section 2-410, the City Commission must adopt a reinvestment plan to guide redevelopment activities within the new Community Reinvestment Area (GCRA).

The GCRA is consolidating the former redevelopment plans into one reinvestment plan for the City of Gainesville. The plan document will provide a brief history of the CRA, encapsulates the present by an annual accounting of redevelopment activities completed in FY19 and looks to the next ten years by analysis of community feedback received, project opportunities, proposed redevelopment locations and surrounding context, and potential strategies.

Community outreach began in October and has continued throughout the planning process. Most recently, a public engagement workshop was hosted on January 15, 2020. A draft of the plan was presented to the City Commission on January 16, 2020. The final engagement workshop is planned to be hosted on February 19, 2020. All engagement meetings were or will be posted on the City's Notice of Meetings, and as a public notice in the Gainesville Sun newspaper. The draft plan will be presented to the City Commission for final review on March 5, 2020.
