From: Spencer Byrne-Seres <spencer@visitorprojects.studio>**Sent:** Wednesday, November 24, 2021 12:52 PM**To:** Etling, Russell H. <etlingrh@cityofgainesville.org>

Hi Russell, I wanted to write to let you know that I was just offered a job in Massachusetts and have have planned to accept the position and move up there, making my tenure on the trust very short. I'm so sorry that I have to resign, the change was unexpected but ultimately worthwhile. Let me know if there is anything else I should do.

Spencer
