Hi Gina,

I just wanted to let you know it's been great working with you on the Oversight Committee. I decided not to reapply and give someone else the opportunity to serve (and free up space in my head). I originally joined to do the oversight for the Clarence R. Kelly project. Now that it's completed (as are the other WSPP projects in my community) I will relinquish my seat. I will continue to follow you all. Thanks for all of your work.
