Subject: [EXTERNAL] Resignation

Good evening,

I'm writing this resignation to inform you both that my new work schedule has made it impossible for me to attend our scheduled board meetings. During the past year I have changed employment due to unfortunate circumstances, which has led to a change in my work schedule and my availability to attend monthly meetings.

I truly took pride in the opportunity in serving our Community as a Community Reinvestment Area Advisory Board Member. I hope and plan to service the community in similar fashion in the near future. I apologize for not being able to complete my term. However, thank you for the opportunity to serve amongst a group of outstanding individuals.
