City of Gainesville
CDBG-R GRANT
#B-09-MY-12-0007
Grant Expenditure Summary

Booker T Washington Subdivision Roadway and Drainage Improvement Project: **\$204,136.23**

◦Vendor: Art Walker Construction, Inc. (Competitive Bidding #PWDA 100059-DH)

Construction Materials/Labor: Reconstruction of existing residential roads, including concrete curb and gutter, storm inlets and a storm sewer system located between NE 8th and 10th Avenues, and 15th and 16th Terraces.

Eastside Paving Project:

◦Prime Recipient: Public Works Dept.

\$166,177.57

Construction Materials (\$126,632.17)

Direct Labor (Public Works Staff Project Delivery) (\$39,545.40)

Repair and resurfacing/repaving of the roadways located within the entire scope of the Booker T Washington Neighborhood area.

The repairs included:

1) Base Work: failing areas of the roadway base were removed and replaced; 2) Root Removal: areas of the roadway that had tree root damage were removed and replaced; and 3) Edging: edges of the roadway that had become obstructed by vegetation/grass and/or sediment buildup were removed.

After the completion of the prep work, the roadways were resurfaced with new asphalt.
