WHEREAS the Bush-Cheney administration's public interpretation of the 9/11 attacks has had radical, largely negative, consequences for the United States of America and the world as a whole; and

WHEREAS the official investigations of these attacks that have been carried out thus far were led by individuals closely aligned with, or even employed by, the Bush-Cheney administration; and

WHEREAS the conclusions of these investigations differ radically from those that have been reached by independent researchers with various kinds of professional expertise; and

WHEREAS organizations of such researchers---including Architects and Engineers for 9/11 Truth, Firefighters for 9/11 Truth, Lawyers for 9/11 Truth, Pilots for 9/11 Truth, Religious Leaders for 9/11 Truth, Scholars for 9/11 Truth and Justice, and Veterans for 9/11 Truth---have called for a new, truly independent, investigation; and

WHEREAS we believe it is long past time for political leaders to heed these calls;

THEREFORE we, the undersigned members of Political Leaders for 9/11 Truth, ask President Barack Obama to authorize a new, truly independent, investigation to determine what happened on 9/11.
