#### Future Land Use Element

**Policy 4.1.1** - Land Use Categories on the Future Land Use Map shall be defined as follows:

**Urban Mixed-Use 1 (UMU-1: 8 -75 units per acre; and up to 25 additional units per acre by special use permit)**

This category allows a mixture of residential, retail, service and office/ research uses. The Urban Mixed Use districts are distinguished from other mixed-use districts in that they are specifically established to support research and development in the physical, engineering and life sciences in close proximity to the University of Florida main campus. An essential component of the district is orientation of structures to the street and multi-modal character of the area. Retail and office uses located within this district shall be scaled to fit into the character of the area. Residential density shall be limited to 75 units per acre with provisions to add up to 25 additional units per acre by special use permit. Lots that existed on November 13, 1991 and are less than or equal to 0.5 acres in size shall be exempt from minimum density requirements. All new non- single-family principal buildings shall have a minimum height of 24 feet. Building height shall be limited to 6 stories. Land development regulations shall set the appropriate densities; the distribution of uses; design criteria; landscaping, and pedestrian/vehicular access.

**Urban Mixed-Use 2 (UMU-2: 10 to 100 units per acre; and up to 25 additional units per acre by special use permit)**

This category allows a mixture of residential, retail, service and office/ research uses.
