1 and

2 **WHEREAS**, annually a Preliminary Rate Resolution describing the method of

5 the provision of notice thereof is required by Ordinance 070623 for the reimposition of the
6 fire assessments; and

7 **WHEREAS**, the imposition of a Fire Services Assessment for fire services,
8 facilities and programs for each Fiscal Year is an equitable and efficient method of
9 allocating and apportioning Fire Service Cost among parcels of Assessed Property.

10 **NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE**
11 **CITY OF GAINESVILLE, FLORIDA:**

12 **SECTION 1. AUTHORITY.** This resolution is adopted pursuant to the provisions
13 of Ordinance No. 070623, sections 166.021 and 166.041, Florida Statutes, and other
14 applicable provisions of law.

15 **SECTION 2. PURPOSE AND DEFINITIONS.**

16 (A) This resolution constitutes the Preliminary Rate Resolution as defined in
17 the Ordinance which initiates the process for updating the Assessment Roll and directs
18 the reimposition of Fire Assessments for the Fiscal Year beginning October 1, 2015.

19 (B) All capitalized words and terms not otherwise defined herein shall have
20 the meanings set forth in the Ordinance and Preliminary Rate Resolution 140028,
21 adopted July 16, 2014. Unless the context indicates otherwise, words imparting the
22 singular number include the plural number, and vice versa.

23 **SECTION 3. PROVISION AND FUNDING OF FIRE SERVICES.**

24 (A) Upon the imposition of a Fire Services Assessment for fire services,
25 facilities, or programs against Assessed Property located within the City, the City shall

1 provide fire services to such Assessed Property. A portion of the cost to provide such
2 fire services, facilities, or programs shall be funded from proceeds of the Fire Services
3 Assessments. The remaining cost required to provide fire services, facilities, and
4 programs shall be funded by legally available City revenues other than Fire Services
5 Assessment proceeds.

6 (B) It is hereby ascertained, determined, and declared that each parcel of
7 Assessed Property located within the City will be benefited by the City's provision of fire
8 services, facilities, and programs in an amount not less than the Fire Services
9 Assessment imposed against such parcel, computed in the manner set forth in this
10 Preliminary Rate Resolution.

11 **SECTION 4. IMPOSITION AND COMPUTATION OF FIRE SERVICES**
12 **SPECIAL ASSESSMENTS.** Fire Services Assessments shall be imposed against all
13 Tax Parcels within the City. Fire Services Assessments shall be computed in the
14 manner set forth in this Preliminary Rate Resolution.

15 **SECTION 5. LEGISLATIVE DETERMINATIONS OF SPECIAL BENEFIT AND**
16 **FAIR APPORTIONMENT.** It is hereby ascertained and declared that the Fire Services
17 Assessed Costs provide a special benefit to the Assessed Property based upon that
18 certain report entitled "City of Gainesville, Florida Fire Services Special Assessment
19 Memorandum, June 2014", prepared by Government Services Group, Inc., the
20 legislative determinations set forth in Section 11-4 of the Code of Ordinances, and
21 Preliminary Rate Resolution 140028, which are hereby readopted, ratified, and affirmed,
22 and incorporated herein as if set forth in full.

23 **Budget Allocation**

24 (A) It is fair and reasonable and consistent with the decision from the
25 Florida Supreme Court in the case of City of North Lauderdale v. SMM Properties, Inc.,

1 825 So. 2d 343 (Fla. 2002), to exclude from the Fire Services Assessed Cost amounts
2 determined to constitute the Emergency Medical Services Cost.

3 (B) The level of services required to meet anticipated demand for fire
4 services and the corresponding annual fire services budget required to fund fire
5 services provided to unimproved, non-specific property uses would be required
6 notwithstanding the occurrence of any incidents from such non-specific property uses.
7 Therefore, it is fair and reasonable to omit from the Demand Factor calculation the Fire
8 Services Incident Reports documenting fire services provided to non-specific property
9 uses.

10 **Cost Apportionment**

11 It is hereby ascertained and declared that the Fire Services Apportionment
12 Methodology as set forth in Preliminary Rate Resolution 140028, which is hereby
13 readopted, ratified, and affirmed, and incorporated herein as if set forth in full, is a fair
14 and reasonable method of apportionment of the fire services assessed costs.

15 **SECTION 6. APPORTIONMENT METHODOLOGY.**

16 The Fire Services Assessment for each Tax Parcel within the City shall be
17 determined as provided for in Sections 6, 9 and 10 of Preliminary Rate Resolution
18 140028 which are hereby readopted, ratified and affirmed, and incorporated herein as if
19 set forth in full.

20 **SECTION 7. DETERMINATION OF FIRE SERVICES ASSESSED COSTS;** 21 **ESTABLISHMENT OF PRELIMINARY ESTIMATED FIRE SERVICES** 22 **ASSESSMENTS.**

23 (A) The total Fire Services Assessed Costs to be assessed and apportioned
24 among benefitted parcels for the Fiscal Year beginning October 1, 2015, is
25 approximately \$5,365,000.00.

1 (B) The estimated rate per Net Factored Fire Protection Unit to be assessed
2 against benefitted property to generate the estimated Assessed Cost for the Fiscal Year
3 beginning October 1, 2015, is hereby established as \$78.00 per Net Factored Fire
4 Protection Unit for the purpose of this Preliminary Rate Resolution.

5 (C) The estimated Fire Services Assessment specified in subsection (B) above
6 is hereby established to fund the specified Fire Services Assessed Costs determined to
7 be assessed in the Fiscal Year beginning October 1, 2015. No portion of such Fire
8 Services Assessed Costs are attributable to the capital improvements necessitated by
9 new growth or development that are funded by impact fee revenue. Further, no portion
10 of such Fire Services Assessed Costs are attributable to the Emergency Medical
11 Services Cost.

12 (D) No Fire Services Assessment shall be imposed upon a parcel of
13 Government Property whose Building use is wholly exempt from ad valorem taxation as
14 provided by Florida law.

15 (E) Any shortfall in the expected Fire Services Assessment proceeds due to
16 any exemption from payment of the Fire Services Assessments required by law shall be
17 supplemented by any legally available funds, or combination of such funds, and shall not
18 be paid for by proceeds or funds derived from the Fire Services Assessments.

19 (F) The estimated Fire Services Assessments established in this Preliminary
20 Rate Resolution shall be the estimated assessment rates applied by the City Manager in
21 the preparation of the preliminary Assessment Roll for the Fiscal Year beginning
22 October 1, 2015, as provided in Section 8 of this Preliminary Assessment Resolution.

23 **SECTION 8. ASSESSMENT ROLL.**

24 (A) The City Manager is hereby directed to prepare, or cause to be prepared,
25 an updated Assessment Roll for the Fiscal Year beginning October 1, 2015, in the

manner provided in Section 11-38 of the Code of Ordinances. The updated Assessment Roll shall include all Tax Parcels within the City. The City Manager shall apportion the estimated Fire Services Assessed Cost to be recovered through Fire Services Assessments in the manner set forth in this Preliminary Assessment Resolution.

(B) A copy of this Preliminary Assessment Resolution, documentation related to the estimated amount of the Fire Services Assessed Cost to be recovered through the imposition of Fire Services Assessments, and the updated Assessment Roll (once prepared) shall be maintained on file in the office of the City Manager and open to public inspection. The foregoing shall not be construed to require that the updated Assessment Roll be in printed form if the amount of the Fire Services Assessment for each parcel of property can be determined by the use of a computer terminal available to the public.

(C) It is hereby ascertained, determined, and declared that the method of determining the Fire Services Assessments for fire services as set forth in this Preliminary Assessment Resolution is a fair and reasonable method of apportioning the Fire Services Assessed Cost among parcels of Assessed Property located within the City.

SECTION 9. HARDSHIP ASSISTANCE. An owner of improved residential property who meets low income level and asset guidelines established by the City shall be eligible to receive payment of the Fire Services Assessment by the City. Applicants for this hardship assistance shall provide written documentation satisfactory to the City Manager in order to qualify for such assistance. Any amounts provided for hardship assistance shall be paid by the City from funds other than those generated by the Fire Services Assessment.

SECTION 10. METHOD OF COLLECTION. It is hereby declared that the Fire

Services Assessments shall be collected and enforced pursuant to Uniform Assessment Collection Act as provided in Section 11-61 of the Code of Ordinances for the Fiscal Year beginning October 1, 2015.

SECTION 11. AUTHORIZATION OF PUBLIC HEARING. There is hereby established a public hearing to be held at 6:00 p.m., or as soon thereafter as may be heard on September 10, 2015, in the Commission Chambers of City Hall, 200 E. University Avenue, Gainesville, Florida, at which time the City Commission will receive and consider any comments on the Fire Services Assessments from the public and affected property owners and consider imposing Fire Services Assessments.

SECTION 12. NOTICE BY PUBLICATION. The City Manager shall publish a notice of the public hearing authorized by Section 11 hereof in the manner and time provided in Section 11-34 of the Code of Ordinances. The notice shall be published no later than August 20, 2015 in substantially the form attached hereto as Appendix A.

SECTION 13. NOTICE BY MAIL.

A. The City Manager shall also provide notice by first class mail to the Owner of each parcel of Assessed Property in the event circumstances described in Section 11-38(f) of the Code of Ordinances so require. Such notices shall be mailed no later than August 20, 2015.

B. If the City determines that the truth-in-millage ("TRIM") notice that is mailed by the Property Appraiser under section 200.069, Florida Statutes, also fulfills the requirements of paragraph (A) of this Section 13, then the separate mailing requirement described in paragraph (A) will be deemed to be fulfilled by the TRIM notice.

SECTION 14. APPLICATION OF ASSESSMENT PROCEEDS. The revenue derived from the City's Fire Services Assessments will be utilized for the provision of fire

1 services, facilities, and programs, as reflected by the Fire Services Assessed Cost. In
2 the event there is any fund balance remaining at the end of the Fiscal Year, such
3 balance shall be carried forward and used only to fund fire services, facilities, and
4 programs provided to properties within the City.

5 **SECTION 15. SEVERABILITY.** If any word, phrase, clause, paragraph, section
6 or provision of this Resolution or the application hereof to any person or circumstance is
7 held invalid or unconstitutional, such finding shall not affect the other provisions or
8 applications of the Resolution which can be given effect without the invalid or
9 unconstitutional provisions or application, and to this end the provisions of this
10 Resolution are declared severable.
