24 25 26 27	affairs in a manner as directed by the board. The responsibility for utility management is more specifically described in this article.		
28	(3) Membership, terms, officers, suspension and removal.		
29 30	(a) <i>Membership</i> . The board shall have seven members appointed by majority vote of the city commission.		
31 32 33 34	1. All board members shall reside within the GRU electric service territory and receive GRU electric utility service.		
35 36 37	2. The membership shall be comprised of individuals with subject matter expertise and qualifications that the commission deems relevant and beneficial to GRU as more specifically identified by ordinance adopted by the city commission.		
38 39 40	3. At all times, a minimum of one board member must be a resident of the unincorporated area of Alachua County or another municipality in Alachua County.		
41	The board will annually review the ratio of GRU electric meters installed outside of		
42 43	the city limits to the total number of GRU electric meters installed in GRU's service territory and report that ratio to the city commission. In the event the ratio exceeds 40		
	4		

1 2 3 4	percent, at the next board member vacancy or term expiration, the city commission will appoint a second board member who is a resident of the unincorporated area of Alachua County or another municipality in Alachua County.
5 6 7 8	4. No person who holds any other public office or who is an employee of the city or who has a current business relationship with GRU other than as a consumer shall-may be appointed as a board member.
9 10 11	5. Until January 1, 2020, no current or previously elected officer or official of the city or county having held office after January 1, 2000, may be appointed as a board member.
12 13	<u>(b)</u> <i>Term</i> .
14 15 16 17 18	1. Each board member shall be appointed to a four-year term, provided however that for the first seven appointees, three will serve an initial term of two years and four will serve an initial term of four years. The city commission will designate which of its initial appointees will serve the two year terms.
19 20 21 22 23	2. Board members may be reappointed for consecutive terms and may hold office after expiration of their term until a successor has been appointed and qualified. Board members may serve no more than three consecutive terms.
24 25 26 27	3. When a position becomes vacant before the end of the term, the city commission shall appoint a substitute board member to fill the vacancy for the duration of the vacated term.
28 29 30	(c) Officers. The members of the board shall annually elect a chair and vice-chair from among their membership.
31 32 33 34 35 36	(d) <i>Removal from board</i> . Any board member may be removed or suspended from office by the city commission for malfeasance, misfeasance or nonfeasance in office, or upon conviction of a felony or if the board member no longer holds the minimum qualifications for the position. The city commission shall adopt by ordinance, rules of procedure for removal or suspension of a board member.
37 38 39 40	(4) <i>Power and duties of the board</i> . The Board of Directors of Gainesville Regional Utilities shall have the legislative power and exclusive jurisdiction over the governance of GRU, except as limited by this Charter. The board in the operation of the utility services, both inside and outside the city limits, shall have the following powers and duties:
41 42 43 44	(a) Provide safe, reliable utility services to customers within the service territory at fair, just and reasonable rates, including a return on the city's investment, all as more particularly described in this article.

(b) Comply with all applicable federal, state and local statutes, ordinances, and codes.

- (c) Acquire, purchase, hire, construct, extend, maintain, own, operate, or lease local public 3 4 utilities, including: electric, gas, telecommunications, water, and wastewater collection services; wastewater facilities, works for supplying water, wastewater, gas, electric, and 6 telecommunications services; water, electric, telecommunication and gas production, transmission, and distribution systems; sanitary sewage facilities; and wastewater 8 transmission and disposal facilities. In the event the board determines it is necessary or appropriate for it to provide, operate or maintain any other utility system or function 10 other than electric, water, wastewater, gas, or telecommunications, the board shall by resolution identify such additional utility system or systems or function or functions and 11 12 indicate its desire to provide such utility service or services or function or functions to the city commission. Upon the adoption and approval of this resolution by the board and the 13 city commission, voting as separate entities, the board with respect to the specified 14 15 system or systems, shall be vested with all powers set forth in this article or general law that would apply to such specified utility system or systems. 16
  - (d) Subject to Section 4(i), supply water, electricity, gas, and wastewater service for domestic and other purposes to individuals, businesses, or corporations inside and outside of the city, and to charge and collect reasonable rates, prices and compensation therefor, including the costs for any part thereof for extension of said services as determined by the board, and upon such terms as may be imposed by the board, and the board may charge a different rate but not a lesser rate for customers outside the city limits than to customers within the corporate limits of the city.
- (e) To transfer, sell, finance, lease or otherwise provide services or products, or by-products, 26 developed or used by GRU incident to the exercise of the powers conferred by this 27 section, including but not limited to, energy performance contracting, water, wastewater, 28 telecommunications, and natural gas (and any other utility service hereafter provided by 29 30 GRU) contracting, power marketing services, the testing and maintenance of customerowned facilities such as transformers, capacitors, lighting, HVAC systems, water cooling 31 and heating systems, energy management systems, etc.; the temporary leasing of GRU 32 facilities such as oil storage tanks; the supply of steam or other thermal energy; the 33 provision of specially conditioned power on the premises of customers and the provision 34 of services or products to build, transfer, lease, finance, operate or sell cogeneration 35 facilities, small power production facilities, specially conditioned power, energy 36 37 conservation, energy efficiency and dispersed generation to other electric utilities both within and without the state or to any wholesale or retail customers of GRU, upon such 38 terms and conditions as the board shall, by resolution, fix and determine; and to transfer, 39 sell, finance, lease or otherwise provide services, products or by-products developed or 40 used by GRU incident to the exercise of the powers conferred by this section, in the 41 delivery of water, wastewater, and natural gas services, including but not limited to the 42 financing, testing, maintenance and operation of customer owned facilities used in water, 43 wastewater and natural gas functions; provided, however, that GRU will not enter into 44 any activity pursuant to this section in addition to those activities listed herein without 45

	first without first obtaining approval of such activities by the city commission no less	
	than 30 days before the commencement of such activity. Nothing in this article shall	
	authorize or be construed to authorize GRU or the board to transfer any function or	
	operation to the utilities system by sale, lease or otherwise to any other utility, public o	
	private without approval by referendum of the voters.	
(f)	Enter into agreements with other municipalities either within or outside Alachua County,	
	or with governmental units or private utility companies, for selling or buying utility	
	services; sell any surplus of water, electricity, gas to persons, firms, and corporations,	
	public or private, on such terms and conditions as the board considers prudent.	
<u>(g)</u>	Except as set forth in paragraph (c) above, exercise all powers and authority of the city to	
	acquire by purchase, gift, lease-purchase, or otherwise, real or personal property for use	
	in providing utility services.	
<u>(h)</u>	Enter upon any land or water for the purpose of making surveys and may exercise the	
	right of eminent domain on behalf of the city for utility services whenever public	
	necessity or convenience requires, and may exercise that power inside and outside the	
	city limits in the manner provided by law.
