Additionally, should the Vendor desire the return of uniform samples it will be up to the Vendor to make arrangements for pickup, including any costs associated with said pickup of items.

4. Eustache Mine, Transit Operations Manager, reviewed the scope of the bid.

5. Questions/Answers:

Question1: Can we substitute another shirt?

**Answer1: In order to be in compliant with the specifications no substitution would be permitted. However, if you bid according to the specifications, then you may list an alternate as well.**

Question2: There are two logos in the bid. Are they both on the same side of the shirt?

**Answer2: One logo would go on the left side of the shirt. The other logo would be used for the cap. However, we have just adopted a new logo (see attached) which will be used in place of the other logos for shirts and the cap.**

Question3: The bid lists a visor...the logo is very tall; is there a different logo?

**Answer3: Normally, the same logo would be used but shrunk to a smaller size. However, the “visor” was unintentionally included and is hereby deleted.**

Question4: Will there be names on the opposite side of the shirt?

**Answer4: No, there is no personalization with names.**

Question5: Shoes are an alternate. I have a supplier if you are interested.

**Answer5: Shoes are optional as they are rarely ever ordered. No bidder will be disqualified if a bid on this item is not provided.**

Question6: Will you place orders with a Pcard?

**Answer6: No. The vendor would come in for a few days to place orders, we would receive those orders and distribute to the employees. A purchase order will be issued by the City to the vendor. Individual orders are limited to items on the contract and a set dollar amount. If the individual requests something over their limit, then that purchase and payment would be between the vendor and the individual. Ideally, if the awarded vendor had a local presence we would give our employees a period of time to place orders on-site at RTS with vendor or at the vendor’s local store.**
