The Honorable Lauren Poe
Mayor, City of Gainesville
Station 11, P.O. Box 490
Gainesville, Florida 32627-0490

Dear Mayor Poe:

The Department of Economic Opportunity ("Department") has completed its review of the proposed plan amendment for the City of Gainesville (Amendment No. 17-2ESR), which was received on May 26, 2017. We have reviewed the proposed amendment pursuant to the expedited state review process in Sections 163.3184(2) and (3), Florida Statutes (F.S.), and identified no comment related to important state resources and facilities within the Department's authorized scope of review that will be adversely impacted by the amendment if adopted.

Pursuant to Section 163.3168, F.S., the Department offers one technical assistance comment which is attached. The comment is intended to assist the County to strengthen its comprehensive plan or ensure compliance with the provisions of the Community Planning Act and will not form the basis for a challenge to the proposed plan amendment if adopted.

Technical Assistance Comment:

The proposed comprehensive plan amendment adds or modifies the following future land use categories: Office, Education, Industrial, Urban Core, Urban Mixed Use-High Intensity, Urban Mixed Use, Mixed Use Medium Intensity, Mixed Use Low Intensity, Mixed Use Office, and Mixed Use Residential. The proposed amendment either deletes an adopted floor area ratio, fails to establish a floor area ratio or other nonresidential intensity standard, or defers nonresidential intensity standards to the Land Development Code. Therefore, if the amendment is adopted, the comprehensive plan will not contain an intensity standard for nonresidential uses as required by Sections 163.3177(6)(a) and (6)(a)1., Florida Statutes. The Department recommends that the City establish a floor area ratio or other intensity standard for each future land use category in which nonresidential development is allowed.

The City is reminded that pursuant to Section 163.3184(3)(b), F.S., other reviewing agencies have the authority to provide comments directly to the City. If other reviewing agencies provide comments, we recommend the City consider appropriate changes to the amendment based on those comments. If unresolved, such comments could form the basis for a challenge to the amendment after adoption.

The City should act by choosing to adopt, adopt with changes, or not adopt the proposed amendment. For your assistance, we have enclosed the procedures for adoption and transmittal of the comprehensive plan amendment. Also, please note that Section 163.3184(3)(c)1., F.S., provides that if the second public hearing is not held within 180 days of your receipt of agency comments, the amendment shall be deemed withdrawn unless extended by agreement with notice to the Department and any affected party that provided comment on the amendment.

If you have any questions concerning this review, please contact Robin Branda, Planning Analyst, by telephone at (850) 717-8495 or by email at Robin.Branda@deo.myflorida.com.

Re: Gainesville 17-2ESR – Expedited Review of Proposed Comprehensive Plan Amendment

The Office of Intergovernmental Programs of the Florida Department of Environmental Protection (Department) has reviewed the above-referenced amendment package under the provisions of Chapter 163, Florida Statutes. The Department conducted a detailed review that focused on potential adverse impacts to important state resources and facilities, specifically: air and water pollution; wetlands and other surface waters of the state; federal and state-owned lands and interest in lands, including state parks, greenways and trails, conservation easements; solid waste; and water and wastewater treatment.

Based on our review of the submitted amendment package, the Department has found no provision that, if adopted, would result in adverse impacts to important state resources subject to the Department's jurisdiction.

Please submit all future amendments by email to plan.review@dep.state.fl.us. If your submittal is too large to send via email or if you need other assistance, contact Suzanne Ray at (850) 717-9037.
