Linda,

Looking at my calendar for the next 6 months, I have too many conflicts that arise with our regularly schedule Thursday night meetings, and which cannot be moved.

For this reason, please accept my resignation as a member, and as Treasurer of the Board.

Thank you for the opportunity to volunteer with the NCC for all these years. It is because I think so highly of the Nature Operations Division and the work you all do to preserve our city's nature parks, that this has been so important and an honor for me to be able to volunteer in this capacity.

If anything changes in my schedule to enable me to participate on a regular basis again, I will be sure to apply for appointment to the NCC again.

Thank you.

Rupa
