Residential and Landlord Tenant Ordinance (B)

Motion: 1) Staff to look at what has been presented from Commissioner's Arreola and Hayes-Santos recommendations, as well as comments from different representatives from the industry and break it into digestible chunks of similarly-related areas; 2) figure out a schedule for the City Commission to come back and talk about the items; 3) when appropriate, have the City Attorney tell the City Commission that the only way to do this is through an ordinance or a change of ordinance, or this is what you are precluded from doing per Statue Statute with each subsection, so the City Commission understands; and 4) at the end, some will be through an ordinance,

increase funding through code enforcement, or looking at an educational outreach partnership between GACCAR, UF and the City.

Approaches to Reducing Homelessness (B)

This item requests the City Commission to consider the relative advantages and disadvantages of some general approaches to reducing homelessness, and to provide staff with additional guidance.

Recess - 3:01 PM

Reconvene - 3:02 PM

Listed below are comments/suggestions from the City Commission:

Commissioner Ward: 1) need to provide enough staff to manage Dignity Village; 2) medical center on-site; and 3) using some of the other buildings as a pilot project for an SRO.

Commissioner Warren: 1) medical care - coordinate services with Shands, NCFRMC and individuals who are interested in managing this; and 2) Dignity Village - people shouldn't stay in transition more than three months.

Commissioner Arreola: 1) dont need to choose from managing a homeless approach and a housing approach - we can do both; 2) how are we going to increase the affordable housing stock in Gainesville; 3) look at the concept of exclusively homeless services vs services for the entire community; and 4) site is not being used to its full potential (Dignity Village needs to be substantially changed).

Mayor Poe: 1) would like to see a pilot program for the SRO concept developed and

brought before the City and County; 2) Dignity Village; 3) source citation numbers; 4) medical care building; and 5) housing focus vs. management focus.

Fred Murry spoke to the issue of a medical building and stated that the Oversight Board approved a pharmacy.

Chief Lane spoke to the the issue of a medical building. The pilot period was not successful. Lack of structure, compliance and environmental factors. Lots of movement out into the community. Security is not a safe environment.

Claudia Tuck, Joe DeCarmine, Carl Smart, Matt Umanos and Donald Shepherd spoke to the matter.

Anthony Lyons spoke to the matter.

Clerk to schedule a joint meeting to discuss homelessness.

RECOMMENDATION The General Policy Committee: 1) review the provided information; and 2) provide additional guidance regarding approaches to reducing homelessness in Gainesville and Alachua County.
