**Community Outreach for the Construction of Field Improvements at Fred Cone Park**

Betsy,  
These youth football groups have been in regular contact either by phone, person, or email with Wendy Bates regarding their field reservations. We do not have specifics of when they were contacted as we were not advised to record that information until afterwards. We are currently in the process of working out accommodations for the closures with limited lit field space.

Team FL Stingrays (football)  
GTM Hurricanes (football)  
Gainesville Dream Catchers (football)

We have been in regular Bishop FC Soccer email contact with this group to find alternative spaces.

Wendy Bates has been in contact with Gainesville Rugby via email. They have not requested an alternative field spaces at this time.

Dwight Jackson has been in contact with Larry Hosley from Gainesville Striders (local track club) by phone and in person since early January to inform him that we will not be able to accommodate them during the closure.

Dwight Jackson has notified Peak Performance (local track club) that the field and track will be unavailable and we will not be able to accommodate them during the closure.

Since early February, the Recreation Division has had phone conversations to let the following groups know the field will be closed and we will not be able to accommodate them during the closures. We have been centrally in contact with Charlie Wise with the school board to distribute notices when dates change.

Buchholtz HS Track  
Eastside HS Track  
Pk Young Track
