Good evening,

Due to COVID-19 and the recent Shelter-in-Place Executive Orders issued by the Governor; the Department of Agriculture has stated that grant funds not used by June 30, 2020 can be rolled over to the new fiscal year starting July 1, 2020. The grant deadline to expend funds is December 31, 2020. All invoices and supporting documentation must be dated on or before December 31, 2020 to allow for reimbursement of allowable expenses.

Thanks and let me know if you have any questions.
