

Trees for Arbor Day Giveaway

Summary: These are our preferred species based off of discussions and availability per plantant.com. Eric (horticulturist) can substitute as needed based off of day-of availability and quality of stock, ensuring to remain under the \$2,000.00 credit card limit. Total price based off of stock prices listed on plantant.com and based off of the assumed quantity of 25 per species will be **\$1,810.50**.

Chiapinni Native Nursery

Shade Trees= Total: \$687.50

- Sand Live Oak or live oak (*Quercus geminata*; *Q. virginiana*)
 - 3G @ \$5.50(25) = 137.50
- Magnolia (*Magnolia grandiflora*)
 - 3G @ \$5.50(x) = 137.50
- Pond Cypress (*Taxodium ascendens*)
 - 3G @ \$5.50(25) = 137.50
- Longleaf Pine (*Pinus palustris*)
 - 3G @ \$5.50(25) = 137.50
- Florida/Sugar Maple (*Acer saccharum*)
 - 3G @ \$5.50(25) = 137.50
 -

Understory Flowering Trees = Total: \$375.00

- Red Buckeye (*Aesculus pavia*)
 - 3G @ \$7.50(25) = 187.50
- Fringetree (*Chionanthus virginicus*)
 - 3G @ \$7.50(25) = 187.5
 -

Native Fruit Trees = Total: \$748.00

- Persimmon (*Diospyros virginiana*)
 - 3G @ \$7.50(25) = 187.50
- Chickasaw Plum (*Prunus angustifolia*) –
 - 3G @ \$7.50(25) = 187.50
- Red Mulberry (*Morus rubra*)
 - 3G @ \$7.50(25) = 187.50
- Yaupon Holly (*Ilex vomitoria*) – Not exactly fruit, but leaves can be made into a caffeinated tea (seems like each of the cultivars has different levels of caffeine; ‘Pendula’ is really cool weeping form, but Chiapinni also has other forms) <https://gardeningolutions.ifas.ufl.edu/plants/trees-and-shrubs/shrubs/yaupon-holly-tea.html> ; <http://www.eattheweeds.com/yaupon-holly-ilex-vomitoria/>
 - 3G @ 7.50(25) = 187.50
