**Subject:** Resignation from CACCD

Good Afternoon Colleen and Vian,

I am sorry to have to send this email, but I must send it. Out of certain logistical impossibilities preventing me from joining the upcoming meeting and the fact that my term is expiring soon anyway, I request to resign from the Citizens' Advisory Committee for Community Development, effective immediately.

Is there any process for this? If there is any way that I can help make the transition easier, do let me know.
