Question applies to Gainesville/Alachua County Regional Airport Authority

Why are you interested in serving on the Gainesville/Alachua County Regional Airport Authority?

I have long been an interested and engaged advocate for aviation and especially as it relates to the well-being of a community. I previously served on the Columbia, Missouri Regional Airport advisory board for two terms and am just completing my first term on GACRAA, an experience I have enjoyed very much and am beginning to feel much more comfortable in understanding the unique aspects of our Regional Airport. GACRAA is a strong group comprised of a number of community leaders representing different areas of the community and region. I respectfully submit my application for a second term on GACRAA so that I can become an even more active advocate for our regional airport and all it can do for the greater Gainesville region. Thank you for your consideration.
