	Overall Estimated Costs			\$ 17,976.00	\$ -	\$ 17,976.00

For 2 days, although a total of 6000, we will estimate no more than 3000 patrons at one time. We normally provide one officer per 250 patrons, when alcohol is served. So for the 2 -12 hour periods the event is open, we would need 12 sworn officers for each period. 12 officer x 12 hours x 2 days x \$53.50 = \$15,408.

For overnight security for 12 hours x 4 officers x \$53.50 = \$2,568
