COMMISSION COMMENT

Commissioner Ward: 1) Would like a presentation on where we source wood/fuel from for biomass plant. GRU currently has about 30% of our energy produced from renewable energy. Refer to GPC to hear a presentation; 2) Made a trip to D.C. on a lobbying trip and commends Mr. Glenn with the lobbyists for the work in making connections. Met with staff about Job Corps and how we might be able to get it moving again. There's motion there and hopefully we will be able to do great things.

Mayor-Commissioner Pro Tem Hayes-Santos: Would be happy to meet with any constituent regarding their concerns.

Commissioner Arreola: Had a Rental Housing Subcommittee meeting and wanted to give an update. Will need full Commission approval on some upcoming items.

Commissioner Warren: Excited about the work the Rental Housing Subcommittee has done and many community groups are happy about the community conversation taking place.

Commissioner Johnson: Concerned about escalation of citizen behavior and interaction with Commission – topic brought up at the last City Commission meeting.
