Regional Transit System Advisory Board Staff Updates (B)

RTS Staff Members updated the board members on various topics. Highlights of that general discussion are as follows.

- Finding and hiring bus drivers is still difficult in the current job market. RTS Staff are planning another Job Fair in October.
- The current TransLoc app will be replaced with GNV Ride RTS which is more flexible and accurate. There will be a marketing campaign to introduce the new app soon.
- RTS Staff expects the city and county to approve the new “Free Over 65/Under 18” ridership pilot program. More information will be available in October.
- The RTS web site is up-to-date currently and heavily used as a resource. Cosmetic changes will occur in the future, when the city updates more of its other pages.

RECOMMENDATION

The Regional Transit System Advisory Board receive the update from staff.
