City of Gainesville, General Government, State Legislative Priorities

City of Gainesville staff has compiled some suggested legislative priorities for your consideration. Some of these items are City Commission legislative priorities from earlier years, and some have come forward from staff as worthy of concern in the upcoming legislative session. Senator George Kirkpatrick is hosting the Alachua County Legislative Delegation Hearing Wednesday, January 27, 1999, and has invited the City to appear and convey its priorities to the body.

The adoption of the Legislative Policy Statement has no fiscal impact, but individual items may have a fiscal impact as noted.

The City Commission 1) hear a presentation on the suggested legislative items; and 2) develop and finalize the list of 1999 Legislative Priorities for the City of Gainesville; and, 3) authorize the Mayor, Members of the Commission and, City Manager and his designees, to take such action as may be appropriate in furtherance of the approved priorities.
