**Addition to the 2016 State Legislative Agenda (B)**

**This is a request for the City Commission to approve and include a section titled Citizens System of Care Program into the 2016 State Legislative Agenda.**

On November 19, 2015 the Commission heard a presentation from the Alachua County Schools and the Juvenile Justice Council requesting the City's support to include the Alachua County Public Schools System of Care in its Legislative Packet for FY 2016.

At this time no funds are being requested by the Alachua County Juvenile Justice Council to support this request for funding for a Pilot Program. In-kind Services from various City departments and divisions are currently supporting the Alachua County System of Care Program.

The City Commission approve including the Alachua County Public Schools System of Care to the 2016 City of Gainesville's State Legislative Agenda.
