Game Day Parking Regulations (B)

The Community Development Committee discussed this issue on November 22, 2011, March 27, 2012 and June 11, 2012. During the three meetings the Committee heard from stakeholders on both sides of the issue. After hearing the concerns of stakeholders and staff, the Committee voted to pare down the list of conditions to the minimum necessary to address key neighborhood concerns, while still allowing for this limited activity on the days designated by the City Manager. This item was approved on August 2, 2012 by the City Commission as Legislative item #120139, and item #120253 was referred back to the CDC for further discussion with UF. However, item #110282 still remains on the CDC referral list even though new referrals were generated.

The City Commission remove this item from the Community Development Committee (CDC) referral list.
