Status Update on the City Commission Strategic Initiative to Increase the Amount of Affordable Housing and Low-Cost Housing Throughout the City (B)

This item is a request for the Community Development Committee to receive an update on the progress of Strategic Initiative 2.6.

Strategic initiatives have been referred to Standing Committees and the Community Redevelopment Agency (CRA), to promote efficient and effective communication streams between elected officials, city staff and Gainesville residents concerning the implementation of the City's Strategic Plan. On October 2, 2008, the City Commission referred each Strategic Initiative included in the FY 09/10 Strategic Plan to City Commission Standing Committees and the CRA to give elected officials the opportunity to receive updates on the progress of each strategic initiative and give policy guidance on the implementation of the strategic plan throughout the year.
