A resolution of the City Commission of the City of Gainesville, Florida; designating recently acquired park area for purposes of chapter 18 enforcement; requiring each park so listed to be posted as a City park, including posting of operating hours; providing an immediate effective date (B).

The City Commission adopt the proposed resolution.

The City Commission, at its meeting of January 24, 2005, authorized the City Attorney to prepare a resolution to identify and designate recently acquired City lands as city parks so the City can enforce its codes within these park areas. Pursuant to the Code, all park areas are to be posted with notice indicating that they are City parks and giving the park hours.
