REZONING - OAK HAMMOCK (B)

Ordinance No. 0-05-20, Petition 25ZON-04PB

An ordinance of the City of Gainesville, Florida, amending the Zoning Map Atlas and rezoning certain lands annexed into the City from the Alachua County zoning categories of "PD, planned development", "R1a, single-family, low density (one to four dwelling units per acre)", and "A, agricultural district" to the City of Gainesville zoning categories of "Planned Development District" and "OF: General office district", as more specifically described in this ordinance; generally located in the vicinity of and including the Oak Hammock retirement community, and certain properties along Williston Road including 2521 Southwest Williston Road; providing a severability clause; providing a repealing clause; and providing an immediate effective date.

The City Commission adopt the proposed ordinance.

STAFF REPORT

The original petition included land that was part of a utility easement located along the eastern boundary of the Oak Hammock development and part of a property that houses a Progress Energy substation. Both pieces of land are part of larger parcels and because the land is split between Alachua County and the City of Gainesville, it was felt that the proposed City land use and zoning designations should be as close as possible to the Alachua County land use and zoning designations. The current Alachua County land use designation for the 2 pieces of land is

Residential (2-4 dwelling units per acre), with a zoning of R-1A (Single-family, low density). The proposed City of Gainesville designations were SF (Single Family, up to 8 units per acre) land use and RSF-1 (3.5 units/acre single-family residential district) zoning.

CITY ATTORNEY MEMORANDUM

The above-referenced ordinance was approved by the City Commission on first reading on April 11, 2005. This ordinance is a companion to Ordinance No. 031256, Petition No. 24LUC-04PB.
