Agreement Between the City of Gainesville and Keep Alachua County Beautiful for FY 2007 (B)

This item involves a request for the City Commission to approve the execution of an agreement with Keep Alachua County Beautiful in the amount of \$55,000.

Keep Alachua County Beautiful (KACB) is the sponsor of "The Great American Cleanup," "Trash Troopers," and other anti-litter/beautification activities. The Great American Cleanup is held the second or third Saturday in April of each year and recruits over 10,000 volunteers to pick up litter, remove graffiti, paint run-down buildings, clean up illegal dump sites, and otherwise beautify Gainesville, the other cities in Alachua County and the unincorporated area of Alachua County. Over 280 tons of litter and debris were removed from public right-of-ways and areas during the April 2005 events associated with the cleanup.

KACB was certified in 1995 as the local affiliate of Keep Florida Beautiful and Keep America Beautiful. The City of Gainesville has been a KACB member since the certification of this non-profit organization and has supported KACB with an annual contribution of either \$15,000 or \$20,000 for the past seven years. The City of Gainesville has also provided in-kind services ranging in value from approximately \$12,000 to \$15,000 each year in support of The Great American Cleanup activities. KACB currently returns \$42 of value for every \$1 of public funding in FY 2006.

The Agreement provides:

1. Contribution of up to \$6,756.92 in in-kind services.
2. Payment of \$15,000 to renew the City membership in Keep Alachua County Beautiful. In return, KACB will perform specified cleanup and beautification projects in coordination with the City Solid Waste and Parks Divisions. These projects include, but are not limited to: "The Great American Cleanup," graffiti removal, tree and shrub plantings, and public education programs for litter and graffiti prevention.
3. Payment of \$10,000 for continued implementation of "The Beautiful Block Program." The Beautiful Block Program is necessary to recruit block captains from targeted neighborhoods and to provide guidance and tools to empower neighborhoods to keep their own blocks clean and beautiful.
4. Payment of \$10,000 for the implementation of the "Gainesville Clean and Green Program." The Gainesville Clean and Green Program consists of the beautification improvements of specific medians to be designated by the City Manager through the Solid Waste Division Manager and other minor beautification projects as developed.
5. Reimbursement of up to \$20,000 for coordination of beautification services.

Funding in the amount of \$55,000 is available in the Solid Waste FY 2007 operating budget.

Recommended Motion: The City Commission: 1) authorize the City Manager to renew the Agreement with Keep Alachua County Beautiful in the amount of \$55,000 for the period of October 1, 2006 through September 30, 2007, and execute any and all necessary documents subject to approval by the City Attorney as to form and legality.

Alternative Recommendation: The City Commission deny the request for this Agreement and direct City Solid Waste staff to perform the tasks of this Agreement. The resulting fiscal impact will be an increase in personal services overtime in the Solid Waste operating budget and a potential negative impact on daily work production and operations of the Solid Waste Division.
