Easement from the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida (B)

This item involves a request to authorize the Mayor to execute an Easement for public utilities, public ingress/egress and aesthetic improvements to property owned by the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida, which is know as SW 5th Avenue, just east of SW 13th Street

The City of Gainesville Community Redevelopment Agency desires to obtain an Easement from the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida for the management, maintenance and improvement of the public rights-of-way and utilities on the triangular property on SW 5th Avenue at SW 13th Street. This triangular piece of property has been historically managed and maintained by the City as public right-of-way but title and liability of a portion of the property belong to the State.

Funding is available for the recording fees of approximately \$75 in the FY 2007 Public Works Operating Budget.

Recommended Motion: The City Commission: 1) authorize the Mayor to execute the Easement supplied by the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida, subject to approval by the City Attorney as to form and legality; and 2) authorize the City Manager to record the Easement document in the Public Records of Alachua County.

Alternative Recommendation A: The City Commission deny the request but continue the maintenance and management of public right-of-way on property owned by the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida.
