Recreation and Parks Center Rental Manual (B)

On March 10, 1997, the Department brought forward its new Rental Policies Manual for approval by the City Commission. The manual was included as part of the implementation of the Martin Luther King, Jr. Multi-Purpose Center's rate structure. Since that time, no changes have been made to the Rental Policies Manual or the pricing structure that was approved by the Commission. However, in May 2001, the City Commission approved a new rental fee structure as part of the City wide DMG Maximus fee study proposal. The Department now requests approval of its revised Rental Policies Manual that includes the May 2001 approved rate changes.
