**Presentation on the City's Performance Measurement and Benchmarking Program (B)**

**Staff from the City's Strategic Planning Division will provide information on the City's Performance Measurement and Benchmarking efforts.**

In order to improve City services and organizational efficiencies, each department is required to participate in a performance measurement program. Some of these programs include benchmarking with other communities within the State of Florida and across the country. Strategic Planning staff will make a presentation on the City's programs and the type of information being produced.

None

The City Commission hear the presentation and take any appropriate action, if necessary.
