LIENS FOR DEMOLITION AND CLEARING (B)

The City Commission adopt the proposed ordinance.

At its meeting of July 12, 1999, the City Commission authorized the City Attorney to draft and the Clerk of the Commission to advertise an ordinance relating to assessing liens on properties where the City has demolished or repaired one or more dangerous buildings or cleaned up hazardous lands. Since the summer of 1997, staff has caused 75 houses to be demolished. The current ordinance requirements are costly to the City and difficult to

process. Changing the ordinance will make the process for recapturing City funds spent for demolitions, repairs and cleanups less expensive.
