**City Commission Emails Posting Policy (B)**

On June 6, 2019, the City Commission referred this item to the General Policy Committee. On August 8, 2019, staff presented research and options for consideration to the General Policy Committee. At that time, the Committee voted to continue publishing constituent and Commission emails and directed that suggestions for delays of publication be brought back for later deliberation.

The City Commission hear a presentation from GRU and the Clerk’s Office and take any action deemed necessary.
