Update on the Strategic Plan and PerformGNV (B)

This is a request for the General Policy Committee to hear an update on the City’s strategic plan and PerformGNV, a system that has been developed to monitor our progress towards the City’s strategic goals.

The City Commission adopted the City’s Strategic Plan on August 6, 2020. Subsequently, items from the Action Agenda for 2020-2021 have been assigned and we are now regularly monitoring progress on those items through a program called PerformGNV.

Today’s update will provide a look into how PerformGNV works on an annual and monthly basis.

No fiscal impact at this time.

The City Commission hear an update on PerformGNV.
