ELECTION DISTRICTS (B)

ORDINANCE NO. 0-02-68

An ordinance of the City of Gainesville, Florida, Chapter 9, Elections; amending Section 9-1.1 of the Code of Ordinances by apportioning the City into four consecutively numbered election districts; by creating a fourth election district and amending the current election districts; making the districts ratably or equally proportioned as required by law; providing a severability clause; providing a repealing clause; and providing an immediate effective date.

The City Commission adopt the proposed ordinance.

On Tuesday, November 5, 2002, the voters decided to allow the city commission to expand to 7 members: one at-large and one district commissioner. The number of election districts must therefore be increased to 4 districts. The City Commission authorized the City Attorney to draft and the Clerk of the Commission to advertise the ordinance amending Sec. 9-1.1 of the Code of Ordinances to apportion the city into consecutively numbered election districts as recommended by the Charter Review Committee.
