Fourth and Final Amendment to the FY 2009-2010 General Government Financial and Operating Plan (B)

The purpose of this amendment is to accurately reflect and incorporate into the City's FY 2009-2010 General Government budget those transactions and activities that were not anticipated during the budget process.

All of the recommended changes are funded either by increases in revenue budgets, decreases in expenditure budgets, or decreases in appropriate fund balances.

The City Commission adopt the proposed resolution.
