City/County Issues - Event Center and Trunked Radio Systems (B)

The City/County relationship or partnership is of great importance as the City and County have many common interests and existing partnerships that work to the benefit of both the City and County. Among those are the Event Center and Trunked Radio System.

On January 24, 2019, the General Policy Committee discussed the Event Center and Trunked Radio System and approved both for further discussion at a Joint City/County Commission meeting on January 31, 2019.

Please refer to Item#170908 Trunked Radio System Update for legislative history or reference.

None.

The Joint City and County Commission discuss the Event Center and Trunked Radio Systems.
