Third and Final Amendment to FY 2008 General Financial and Operating Plan Budget Resolution (B)

The purpose of this amendment is to accurately reflect and incorporate into the City's FY 2008 General Government budget those transactions and activities that were not anticipated during the budget process.

All of the recommended changes are funded either by increases in revenue budgets, decreases in expenditure budgets, or decreases in the appropriate fund balance.

The City Commission adopt the third and final amendatory budget resolution to the FY 2008 General Government Financial and Operating Plan budget.
