Review of Alachua County's Allocation of Revenues and Expenditures to Countywide and Unincorporated Funding Sources (B)

The Audit and Finance Committee recommends the City Commission:

(1) accept the City Auditor's report; and (2) request the Alachua County Commission review and provide a written response to the recommendations made in the report.

In accordance with the Fiscal Year 2000 Annual Audit Plan approved by the City Commission, we have completed a Review of Alachua County's Allocation of Revenues and Expenditures to Countywide and Unincorporated Funding Sources. The attached report summarizes improvements made by Alachua County since our previous report in this area and recommendations for further improvement in the equitable distribution of costs of County services to the citizens of the incorporated and unincorporated areas.

We request the Committee recommend the City Commission accept the City Auditor's report and request the Alachua County Commission review and provide a written response to the recommendations made in the report.

We would like to thank Alachua County Manager Randall Reid, Sheriff Stephen M. Oelrich, Clerk of Circuit/County Courts and Clerk to Board of County Commissioners J.K. "Buddy" Irby, and their staff for the courteous and cooperative treatment afforded us during our review.
