Acceptance of Anticipated US Department of Transportation FAA AIP Grant No. 3-12-0028-042-2019 in an amount up to \$12,163,252.00 (B)

Resolution No. 190242
 A Resolution of the City of Gainesville, Florida, accepting FAA AIP Grant No. 3-12-0028-042-2019 from the U.S. Department of Transportation, Federal Aviation Administration, and authorizing execution by the Mayor and the Clerk of the Commission on behalf of the City of Gainesville; and providing an immediate effective date.

The City Commission adopt the resolution and authorize the Mayor to execute and the Clerk of the Commission to certify the grant agreement.

The Gainesville-Alachua County Regional Airport Authority (GACRAA) anticipates an offer from the U.S. Department of Transportation, Federal Aviation Administration (FAA) for AIP Grant No. 3-12-0028-042-2019 in an amount up to \$12,163,252.00.00 for Phase II construction of commercial terminal improvements to expand gate area and miscellaneous public area improvements at the Gainesville Regional Airport.

Because the City of Gainesville retains title to the land upon which Gainesville Regional Airport operates, the City of Gainesville, in addition to GACRAA, must formally accept all federal grant offers. Accordingly, GACRAA on June 27, 2019, adopted Resolution No. 19-010, which accepted and authorized execution of the anticipated grant offer.
