Support the Nomination of the Devil’s Millhopper to the National Register of Historic Places (B)

Information Item A. National Register Nomination: Devil’s Millhopper Geological State Park. Located at 4732 NW 53rd Avenue/Millhopper Road. State of Florida, owner.

The property, located at 4732 NW 53rd Avenue, has been nominated for inclusion on the National Register of Historic Places by the State of Florida, Division of Historical Resources. The nomination proposal will be reviewed by the Florida National Register Review Board in a public meeting later in October. If the Review Board finds that the property meets the criteria for listing established by the National register, a formal nomination will be submitted to the Keeper of the National Register in Washington D.C., who will make the final decision (see Exhibit A-1).

Inclusion on the National Register of Historic Places provides recognition that the property is deemed by the federal and state governments to be significant to our history at the national, state and/or local levels.

Staff recommends that the Historic Preservation Board support the nomination of this property to the National Register of Historic Places. In addition, the HPB may provide official comments to the Florida Bureau of Historic Preservation as to whether or not this property meets eligibility criteria for listing in the National Register of Historic Places.
