10/23/2006	0	City Commission	Referred	Pass

### Energy Efficiency Update (NB)

Last July the City Commission approved staff's plan for achieving maximum DSM. Since then 11 energy efficiency programs have been added. Staff provides the City Commission with quarterly status reports and is on target to meet or exceed energy and demand goals. Progress reports will continue to be provided to the full commission on a quarterly basis.

The Regional Utilities Committee recommend to the City Commission that this item be removed from the outstanding referral list.
