2002 Town Gown Relations Study - Ten Years Later (B)

On June 16, 2011, the City Commission moved this referral to the Economic Development University Community Committee (EDUCC). The Committee reviewed the Town Gown Task Force's Neighborhood Action Plan completed in September, 2002 on two occasions and heard input from staff and representatives from other entities in the community about implementation that has occurred as a result of the Study's recommendations.

None.

EDUCC to City Commission: 1) Recommend that the Mayor draft a letter to the University of Florida indicating thanks for actions implemented as a result of the Action Plan specifically related to Code Enforcement and off-campus life; and 2) remove this referral from the Committee's pending referral list.
