Amendment to FY 1998 General Government Operating and Financial Plan - CDBG and HOME Budgets

The purpose of this amendment is to accurately reflect and incorporate into the City's FY 1998 General Government Budget those Community development Block Grant (CDBG - Fund 102) and HOME Investment Partnerships Program (HOME - Fund 104) transactions that are anticipated prior to the end of the current fiscal year.

All of the recommended changes are funded by additional available revenues in the CDBG (Fund 102) or HOME (Fund 104) programs.

The City Commission: 1) approve the amendments to the FY 1998 (CDBG (Fund 102) and HOME (Fund 104) budgets; and, 2) authorize the City Manager (OMB staff) to incorporate said amendment in a subsequent amendment to the FY 1998 General Government Operating and Financial Plan Budget Ordinance.
