Resolution for Approval and Authorization for a Partial Release of Mortgage for 907 Southeast 7th Avenue (B)

This item is requesting a Resolution for approval and authorization to sign a Partial Release of Mortgage for 907 Southeast 7th Avenue.

On February 3, 2005, the City of Gainesville’s Housing Division completed repairs to the home of Andra and Dionne Brockington. The home is located at 907 Southeast 7th Avenue and identified as Alachua County Tax Parcel 12109-000-000. As part of the repairs, the City recorded a mortgage, securing its interest, in Official Records Book 3091, page 481 of the Public Records of Alachua County.

Because of the State and/or Federal funding for the City’s Depot Avenue Renovation Project, the Florida Department of Transportation (FDOT) is acquiring the land rights for the Project. These land rights will then be conveyed to the City prior to commencement of the Project. The renovations to Depot Avenue are contained between Southwest 13th Street and Williston Road. A portion of the project, referred to as Segment Three, is the section from Southwest 4th Street to Williston Road. Contained in this segment is the parcel owned by Andra and Dionne Brockington and secured by the mortgage in favor of the City. A portion of the parcel, containing approximately 62 square feet is required for the project. FDOT has asked the City for a Resolution approving a Partial Release of Mortgage over this portion of the property.

Funding in the amount of \$100 for administrative costs is available in the Public Works FY13 operating budget.

The City Commission: 1) adopt the Resolution approving the Florida Department of Transportation’s request for a Partial Release of Mortgage, subject to approval by the City Attorney as to form and legality; and 2) authorize the Mayor to execute and the Clerk of the Commission to attest the Partial Release of Mortgage,

subject to approval by the City Attorney as to form and legality.
