Review of General Fund Forecasted Revenues and Other Sources of Funds for the Fiscal Year Ending September 30, 2006 (B)

In accordance with Section 12(a), Budget Reviews, of Commission Resolution 970187 and our Annual Audit Plan, we have completed our review of General Fund revenue estimates as presented by the City Manager in the proposed General Government Budget for the fiscal year ending September 30, 2006 (the forecast).

We reviewed the forecasted General Fund Revenues and Other Sources of Funds set forth in the Fiscal Year 2005-2006 Final General Operating and Financial Plan Budget adopted by the City Commission on September 26, 2005. Our objective was to determine whether data, methods and assumptions used by the City Manager in preparing projected General Fund Revenues and Other Sources of Funds in the amount of \$85,940,405 provide a reasonable basis for the forecast. Our review was conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States and included procedures we considered necessary in the circumstances to evaluate the assumptions used by management in preparing and presenting the forecast.

The City Commission accept the City Auditor's report.
