STAFF REPORT

NOTE: This ordinance was amended by the City Commission at first reading on 8/20/20. A tracked-changes version of the ordinance showing the amendments made by the City Commission in double strike-through and double underline is provided in the backup.

This ordinance will add Accessory Dwelling Units (ADUs) as a permitted use within various zoning districts, including single-family zoning districts, with specific regulations to ensure compatibility with existing neighborhoods. The City Plan Board held a public hearing on February 27, 2020, where it voted to recommend approval of this amendment to the Land Development Code. This ordinance requires two hearings and will become effective immediately upon adoption at second reading.
